Sometime in the future someone will need to make choices about your long-term and end-of-life care...

Make sure the choices are YOURS!

Planning Your Future--Advance Care Planning Forum

with Idaho Deputy Secretary of State, Miren E. Artiach

The Right Choice at The Right Time Idaho resource guide, the Idaho Health Care Directive Registry and Life Care Planning—all tools to plan for the future you want as you journey through life. Learn how to find, get and pay for the long-term care you or your loved one deserves without going broke. Learn how you can take action and plan to help you protect your life savings and give you and your loved ones the quality of life and the quality of care you deserve. Help identify issues of greatest concern, which will be addressed in this presentation.

Open to conference participants and the public
